

"Fine Art of Love" offers warmth and happiness.

To students in Nan province.

On January 15, 2018 The Faculty of Fine and Applied Arts organized the "Fine Art of Love" To the children in the poor school led by Professor Dr. Peerapol Chatchawan Vice Dean for Student Affairs. Bring student representatives to the student club, faculty and staff arrive at Ban Rai School, Pua District, Nan Province to donate. Donate items include clothes, blankets, sports equipment, school supplies, candy, etc., some of which are donated by the general public. The donation has been open since the beginning of December 2017.

In addition to donating supplies to the school, Students representing the Student Club of the Faculty of Fine Arts There are recreation activities for students. It's not just fun and laughter. It is an activity that teaches children to be brave. To know the harmony and planning include games, games, clamshell. Games, music chairs

Finally, a donation ceremony was held at Baan Rai School. Mr. Rut Chantakote, Director of Ban Rai School Together with the deputy and the teachers, the donors are donated. I also thank all of you who contributed to this volunteer activity.

Finally, the Faculty of Fine and Applied Arts. Thank you to the school board. For a warm welcome. Care and support throughout the event. Thank you for donating everything in the project.
